

Hello, Flask!

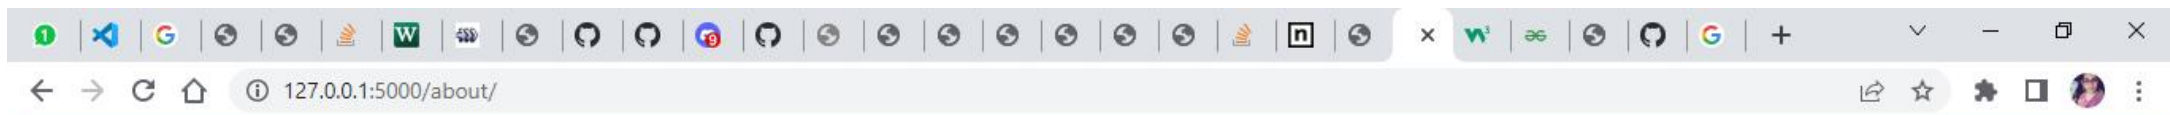

Hello there, VSCode! It's Thursday, 06 April, 2023 at 17:02:47

Hello there, priya! It's Thursday, 06 April, 2023 at 17:58:37.

This is home page

[Home](#) [ABOUT](#) [CONTACT](#)

This web app is created by Team Alpha as a part of study for the subject Distributed Computing. We are a group of 4 students working on a Project GreenCount. In order to display the data we get while collecting the data from AWS, we created this web app.
